Dear [REDACTED]

25X1A

The Foreign Service Institute is deeply grateful to your office for the very fine briefing given last week by [REDACTED] to the Mid-Career Course on Foreign Affairs.

I feel that this session was something in the way of a milestone in inter-agency collaboration. It was certainly of great value to the mid-career students, and I feel sure you will find that the increased understanding engendered by the briefing will ultimately be of material benefit to your own agency. I very much hope that it may be considered a standard part of mid-career training from now on.

Sincerely,

Harold B. Hoskins
